

July 2023,

The Glenn County Resource Conservation District is bringing back the Downtown Market in Willows this Summer 2023! The farmers market-like event will be held on Tuesday evenings starting July 11 from 5 PM - 7 PM near the 100 block of North Butte Street in downtown Willows area.

There are several vendors lined up and they are excited to see the community. The Downtown Market will include items such as things for dinner - e.g. street tacos, local cheeses, beef, produce, baked goods, marshmallows, honey, and other locally made products. Special things to do may also be provided through supporting partners like a flag folding ceremony, coloring contest, face painting, and more!

We ask that you please consider being a sponsor of this event, to help off-set costs of kid's activities, toilet rentals, advertising, and more.

Sponsor Levels:

- Gold Sponsor - \$250
- Silver Sponsor - \$100
- Bronze Sponsor - \$50
- Friends of the Market - \$25
- In-kind donations are also very much appreciated!
